

Where ideas work

## **Regional Agrologist**

**Temporary Position (to February 28, 2011)**

**Fort St. John, B.C.**

***Ensure a balance between the well-being of the agricultural sector and land and water sustainability***

**Ministry of Agriculture and Lands** –Taking the lead on resource management and agriculture development and diversification initiatives in B.C.'s Peace Region, you will develop proposals and manage projects that implement and follow good land stewardship practices. Relying on your creative and self-directed initiative, you will build partnerships which both encourage involvement of and help support the local agriculture industry.

Your degree is complemented by professional experience in natural resource management and planning, preferably related to agriculture, as well as skill in consensus building, negotiating and conflict resolution. Familiarity with the structure, mandates and responsibilities of B.C. ministries and municipalities with regards to resource allocation and management would be ideal. Lesser qualified applicants may be considered at a lower level.
